*Production model may vary.

In the realm of industrial lawn mowers, the Xcaliber series is King. The Xcaliber series offers the most productivity and features money can buy. A redesigned 74" cutting deck, an industry-first, amounts to an unequaled mowing capacity of 9.2 acres per hour. With springer forks, electric deck lift, and 12-volt adapter for your cell phone or iPod, you'll be cutting like a king.
